CONDITIONS OF SALE

1. The stock will be sold in the order in which they appear in the catalogue and the highest bidder on each lot on the fall of the hammer will be declared the purchaser. If any dispute shall arise between two or more bidders then the lot in dispute will be put up again and resold, or the purchaser may be declared by the auctioneers.
2. The pedigree and description of the lots are believed to be correct, but are not intended as a warranty and therefore shall be taken with all faults and errors of description.
3. All animals are at the risk of the vendor before sale and of the purchaser after the sale. The auctioneer accepts no responsibility for damage or injury caused to the animal in the sales yard or in its precinct thereof.
4. The service dates, while believed to be correct, cannot however be guaranteed.
5. All lots will be sold euro. Purchasers will be charged a fee of 5% of the sale price.
6. Purchasers shall, if and when required, give their names and address to the auctioneers and shall if required, pay to the auctioneers the purchase money for each lot at the fall of the hammer, or so soon thereafter as the auctioneers may require.
7. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference.
8. No lots shall be removed from the sale premises until a written delivery order has been given by or on behalf of the auctioneers.
9. Each lot shall, at the purchaser's expense, be removed from the sale premises within a reasonable time after the close of the day's sale.
10. All statements in the catalogue or made by the auctioneer at the time of sale relating to the animal are believed to be correct. No sale shall be invalidated by reason of any defect or faults in any of the animals by reason of any of the animals being incorrectly described in the catalogue, or by the Auctioneer in the ring, and no compensation shall be paid in respect of any faults or errors of description.
11. All ewes are sold as having been scanned in lamb on Saturday 5th December 2009, unless otherwise stated.

sold to S. Murray, Donegal, for 1,050gns*

PADRAIC NILAND (CHESSY FLOCK)

The Chessy flock was established in 1976 as one of the foundation flocks of the breed in Ireland. Much success was achieved by the flock over the years winning all the major championships not once but many times. This year, we have probably the best bunch of shearling ewes ever produced by the flock. PNI 08016 by Tullagh Neptune, National Champion Charleville, sold to Proctors Farms for €10,000. PNI 08061 by Bailey's Lion King, Champion Tullamore Show, also Champion Female Blessington, sold for €3,200 to Tom Arnold. PNI 08067 by Bailey's Lion King sold to Eugene O'Sullivan in 2008 and was Interbreed Champion Dundalk Show 2009. At previous sales, we sold a ewe to John Kelly carrying a National Champion and a ewe to Liam and Eamon Walsh who bred Ballybrooney Orlando, sire of the £14,000 ram lamb for Victor Chestnutt at Lanark.

SERVICE SIRES

Tullagh Neptune: Supreme Champion Dungannon, cost €6,000, has already become a legend within the breed, his daughters winning all before them. In the shearling ewe class in Charleville, five of the first six places were filled by Neptune daughters.

Ettrick Oki Doki: Cost €6,000 Lanark. He was 1st prize lamb and Reserve Champion at Lesmahagow Show 2008. From his first crop, he sired the Reserve Champion Ram in Blessington which sold to Barclay Bell and John Trimble for €2,000. Also top price at Athenry Sale, 880 gns. to A. Howard and top price in Roscommon Sale at 750 gns.

Livery Prince Jim: Purchased Dungannon 2009, by Tamnamoney Ned out of a ewe purchased from the Arkle flock for 1,800 gns. Prince Jim was bought for his brilliant head and carcass.

FLOR RYAN (LAWN FLOCK)

The Lawn Flock was established in 1989 with the purchase of ewes at Texel Society sales. When selecting ewes and rams for the Lawn Flock much emphasis is placed on the commercial traits of the Texel Breed i.e. muscling, length, tight skins and correctness. Garrolagh Iggy Pop and Roughan Laptop are two successful sires with these traits that have been used on the flock in recent years. All 14 shearling ewes in the sale this year are of genotype one and also have Department Performance Recording Figures. I would like to wish purchasers at this sale every success in the future breeding Texels.

SERVICE SIRES

Baileys One and Only ARR/ARR was purchased jointly with Ballybur Flock at the 2008 Premier Sale for the sale topping price of 4,500gns. He was chosen for his super power and Texel character. Since his purchase One and Only has grown into a tremendous sheep. His sire is the £28,000 ram Forkins Nijinsky and his dam is by Craighead Hercules. No progeny of Baileys One and Only were sold by the Ryan Texel flocks in 2009 as we specialise in the shearling market for which both his sons and daughters look very promising. The Sale includes 10 ewes inlamb to Baileys One and Only.

Chessy Proud Prince ARR/ARR was purchased at the 2009 Premier Sale for 1,550gns by the Sire Reference Group Premier Irish Texels. Proud Prince has excellent length and muscling. His sire is Ettrick No Limits and his dam is by Renaghmore Keane. The Sale includes 4 ewes inlamb to Chessy Proud Prince.

ALEX CLARKE (ALEPAT FLOCK)

The Alepat Texels was founded in 1992 and in 2004 the Trojan Flock was formed by Ornaith when she went out 'on her own' having built up a number of ewes while trading within the Alepat prefix. Throughout this time our aim has always been to breed sheep with tight skins and good muscling.

Although some females were sold privately, our first major sale of females was in 2006 and then last year with the sale of fourteen shearlings at the inaugural sale of this group of breeders.

There have been 95 ewes mated between the two flocks this year and 47 of these are either daughters or granddaughters of our senior stock sire Ballydonaghy Kunneyfunt who has 1 All-Ireland, 2 Interbreeds, 1 Reserve Interbreed, 13 Breed Championships and 4 Reserve Championships to his credit during his show career. Seven of the entries today are his granddaughters and a further 4 entries have been served by him. A grandson of his was 1st Prize and Highest Priced Shearling at the Premier Sale 2009. This ram's Dam (CQI05025) was bought by Sean Murray (Billary Hill) at our sale in 2006.

A Trojan ewe (OCE07005) bought by Eric Campbell (Master) at this sale last year bred a ewe lamb which was Champion at this year's Athenry Sale.

SIRES USED

Trojan Orny's Boy: Retained son of Tullagh Neptune with good head and skin.

Kilcoan Ononist: Bought Dungannon 2008 for his power and size.

Oakclose Onher: Good carcase and size. Son of Ballydonaghy Linnnet sold Stg£4,000 in 2005.

Innishrush Pokeherman: Grandson of Mellorvale Masterpiece. Good head with plenty of white hair and power.

ANNE MURPHY (FOUNDRY FLOCK)

The Foundry Flock is now 10 years established and we are still learning. The rams mentioned in today's sale are:

Ballyhivistock Prince Charming: Our latest purchase in partnership for €6,300, he is a very nice ram (see picture page 10) with length, tight wool and easy fleshing. Three lots are in-lamb to him today.

Foundry Ketchup: By Carrowdore Highlite and dam by Tullagh Heyboy. He is the backbone of our flock. Five of his daughters are on sale today, including the daughter of the Reserve Champion Texel at Tullamore Show 2009.

Springwell Nik-Nak: He is long and tall with a white head. He is by Rams Lighthouse and out of a Cornerstone Ivanhoe ewe. Three of his daughters are in the sale.

Greenhill Otto: A long tall sheep with good LMI and genotype 1. He is easy lambing and his lambs grow very well. One of his sons was exported to Germany this year.

Larahirl Lucky Star: He was first prize shearling ram at the Premier Sale in 2006. We bought him this year to replace Ketchup and Otto when they were on loan to Lambplus for use in the CPT.

Foundry Midas: He was by Clougher Logbox and out of a very nice Highlite ewe. He bred the 2nd prize shearling ewe at Tullamore Show this year.

Hillhead Omen: Bought for his character and conformation. He was injured this year and we kept his son Foundry Pascal out of a Ketchup ewe that is full sister to Foundry Oodles bought by the Chapelizod flock for 1,000 guineas.

All of today's sheep are in the Heptavac-P system and are vaccinated with toxovax. We wish you all luck with your purchases.

LIAM & EAMON WALSH (BALLYBROONEY FLOCK)

Tullagh Neptune: ARR/ARR. Sire – Castlecairn Celtic Star. Dam's sire – Tullagh Kentucky 1. Neptune Champion at the Dungannon Premier Sale in 2007. He was purchased jointly with the Bothar Bui and Chessy flocks for €6,000. He was also first prize winner in the MLC class on the day with an index of 264. Neptune has had a tremendous first season siring the female champion, reserve male champion, first prize group of three ram lambs and second prize LMI ram at Blessington Premier Sale. His daughters occupied three of the top six places in the senior ewe lamb class at the Texel All-Ireland. Ram lambs have sold to €1,800 and €1,400. Only three ewe lambs by Neptune have been sold from the flock, selling to €1,200, and averaging €933. Neptune sired 5 of the top 6 placed hogget ewes at the National Texel Championships, 2009. The first prizewinner went on to be Champion Texel, and subsequently sold privately to the UK for €10,000. Neptune's grandson, Clougher President, a son of Ballybrooney Orlando, later sold at Lanark for £14,000 to the Sportsman's, Mellorvale and Tophill flocks.

Castlescreen O-J: Much admired lamb when purchased with the Turoe Flock at Dungannon Premier 2008. His son, Ballybrooney PJ, sold for the top price of €5,400 at Blessington Premier Sale. PJ's twin brother has been retained in the flock as a stock ram. Transmitting his excellent conformation, skin and very white head to his progeny.

Ballybrooney New: ARR/ARR. Sire – Cairness Mastercraftsman. Dam's sire – Craighead Hercules. Ballybrooney New was retained for use in the flock in 2007. His sire, Cairness Mastercraftsman, was purchased at Lanark and is a son of Watchnowe Lanark Cracker, which was Lanark champion in 2005 when sold for £40,000. New is a big, long ram with very tight wool. Twin brother to the €2,800 Ballybrooney Neptune, he has bred very well in his first season. New sired three individual first prize winners at the Texel All-Ireland 2008, including the first-prize winning junior ewe lamb for the Ballybrooney flock. Sons sold to €1,050 and €930 at Blessington this year.

Ballybrooney Powerline: Twin brother to the top-priced Ballybrooney PJ, he was retained for his conformation, skin, breed character and pedigree. Sired by Castlescreen OJ, his dam also bred the 2nd prize hogget ewe at the National Texel Championships in 2009.

ELLEN BAILEY (BAILEYS FLOCK)

The Baileys flock was established in 2003 with the purchase of five ewe hoggets privately from the Muireisk flock. One of these original ewes has made the biggest influence on the flock. She has bred a National Champion in 2005 and a Blessington Champion in 2006 selling for a record €38,000 and his E.T. brother sold for €18,000. Other additions to the flock have come from Glenside, Forkins, Cairness, Laurelbank, Chessy and Lawn flocks.

All hoggets on offer are by the €28,000 gns. purchase, **Forkins Nijinsky**. He has bred very well, siring National Champion last year, 1st prize senior ewe lamb and 1st prize senior ram lamb. He also sired joint top priced lamb at Blessington, top price at Athenry and Blessington 2nd Sale.

All hoggets are A.I.ed to **Teiglum Magnum** on 13/09/09. He has bred lambs to £24,000. He breeds great backends and good legs.

Flock Achievements:

National Champion 2005-2008. Tullamore Champion 2005. Reserve Female Balmoral 2007-2009. 1st Prize Shearling Ram Balmoral 2007. 1st Prize Ewe Hogget Balmoral 2007, 2009.
