GREENHILL FLOCK

Greenhill Texels was established in 1990 with the aim of producing fast growing sheep with good carcasses. Over the years the replacement policy has been based on purchasing the progeny of top performing rams both here and in the UK as ram replacements and selecting females from within the 160 ewe flock based on looks and performance records. This selection process has resulted in Greenhill Texels achieving top prices for both males and females at Society sales over the past 15 years. The flock has also been successful in the show ring with Greenhill Texel sheep featuring consistently in the awards at Premier and Regional sales and in the All Ireland National Texel Championships.

The current crop of in lamb hoggets are bred from and in lamb to All Ireland and Premier Champion rams.

THE FOUNDRY FLOCK

The Foundry Flock of Texels is 12 years established now. Since we started we have been trying to improve our sheep, not only for meat but now also for maternal and lambing abilities. We have been involved in schemes first run by the Dept. of Agriculture and nowadays by Sheep Ireland to improve the traits that are required for the profitability of a sheep enterprise. We do not use any artificial practises in reproduction and feel this will lead to more accurate evaluations. We do not overfeed our sheep for sales and expect that they go forward in their new environment. The backbone of our flock has been laid down by 2 influential rams Hillhead Ferrari and Foundry Ketchup. Ballyhivestock Prince Charming is now beginning to leave his mark too. We will not have many of his daughters until next year. This year we have used a lot of new bloodlines as well as Ballyhivestock PC.

Ballyhivestock PC SCY 09105

The highest priced ram bought in Ireland in 2009 at €6,300. Last year we sold a ram lamb to The Greenwood Flock in England by him. We got €3,000 for him. He is leaving us smart, tight skinned, long ewes with a good back and gigits.

Dunlever Samson BMI 11028

By Greenhill Punt by Goldies Magnum and out of a Chessy Livewire ewe. Livewire was the Reserve Champion at the Premier Sale in 2005. Samson was 6th prizewinner at the All-Ireland Championships this year and was bought for his correctness, carcass, white hair and tight wool. He has 5 stars for Meat Production.

Hillhead Sir Ivor WHM 1100240

By Tamnamoney Regan by Tamnamoney Patriot. Patriot was by Ballynahone Oscar and out of a Muirensk Jason ewe. Regan was out of a Craighead Hercules ewe. Sir Ivor is out of a Drumillar Major ewe. He has length, character and tight wool.

Greenhill Strongbow HUI 11082

By Enniscrone Patriot (by Douganhill McFly out of a Knock Firefly Ewe) and out of a ewe by Speenogue Nicefella. He is a long, tall sheep with a nice head that is not big. He has 5 stars for Meat Production and 4 stars for Maternal with a high accuracy.

We wish all our customers good luck with their purchases and would be available for advice for new breeders who wish to call on 086 8441144.

BALLYBROONEY FLOCK

The Ballybrooney flock was established in 1986. The pedigree flock was initially developed with purchases of females and stock sires from leading Irish breeders. The most prolific ewe in terms of the number of female descendants currently in the flock, EWI 0323, is descended from one of these foundation females. These bloodlines have been supplemented over the years with purchases of stock rams and females from Irish, Northern Irish and Scottish breeders.

In 2010, two ewe lambs were sold that went on to win the champion hogget ewe and the second prized hogget ewe at the Texel All Ireland Championships 2011. An inlamb ewe sold the previous year bred the male champion and reserve supreme champion Texel All Ireland Championships 2011.

CHESSEY FLOCK

The Chessy Flock was established in 1976 as one of the foundation flocks of the breed in Ireland. Over the years much success was achieved in both the show and sales ring including 6 Premier Sale Champions, 7 Reserve Champions, the past 3 All Ireland Champions, 2 National Champions, 2 RDS Champions, 1 Champion Flock Competition, 4 times Reserve, 3 Tullamore Champions, 2 Reserve Champions, 2 Blessington Female Champions, 2 Reserve Champions and Champions at Athenry, Roscommon, Nenagh, Ballinasloe, Tuam and Ballinrobe many of which topped the sale prices.

When purchasing rams to use in the flock only the best bloodlines were considered and as with the rams used on the sale ewes sons of Baltier Nailor, Milestonehill O'Gara, Garngour Nobleman come into that category. Tamnamoney Relian and Knock Rafiki sons were very much in demand this year and we look forward to new sire Milestonehill (pending) who has a tremendous carcass and tight skin. A son of the £17,000 O'Gara and out of a Milnbank Hitman ewe. He was purchased in partnership with Liam Walsh and Breeder Murray Annett retaining a share.

Knock Rafiki

BAILEYS FLOCK

She has bred a National Champion in 2003, a Blessington Champion in 2006 who sold for a record €38,000 and his ET brother sold for €18,000. Other additions to the flock have come from Glenside, Stockton Forkins, Cairness, Laurelbank, Chessy and Lawn Flocks.

Most of the hoggets on offer are by **Teiglium Magnum** who has bred rams to £40,000 and £24,000.

Most of the hoggets are in lamb to **Deveronvale Perfection** and **Tophill Knockout**. Deveronvale Perfection is the world record priced sheep, his Great Grandmother was purchased by Cairness as a gimmer for £19,000. Both rams are breeding very well.
