Ballybrooney Flock

Scrapie Monitored

Introduction

The Ballybrooney flock was established in 1986. The pedigree flock was initially developed with purchases of females and stock sires from leading Irish breeders. These bloodlines have been supplemented over the years with purchases of top quality stock rams and ewes.

The flock has bred many champions over the years. Last year, I won the All Ireland Champion Female with the Shearling ewe and also I won the All Ireland senior ewe lamb, as well as many other prizes.

Each year, I sell some top ewes. Many Ballybrooney ewes that have been sold to breeders have went on to breed exceptionally well and I am confident that this will continue. I wish all buyers the best of luck with their purchases.

Sires

Knock Ursus

Sire: Sportsman Trojan II.

Dam: Knock HAK 1100165

Dam's sire: Cambwell Rob Roy

Ursus was purchased jointly last year. He is a powerful ram with great carcass, skin, size and character. He is from the best breeding line in the renowned Scottish Knock flock. He is breeding extremely well.

Wayside Topgun

Sire: Glenside Razzle Dazzle

Dam of Topgun was first prize ewe lamb at the Royal Highland show, by Ettrick Rainbow Warrior. Topgun was purchased jointly in 2012. He is an extremely correct ram, with great size, carcass and skin. He is the sire of my 2013 All Ireland ewe lamb.

Oberstown Van Damme

Sire: Tullylagaan Tonka

Dam: PFI 11099 by Foyleview Rocky

A massive ram, full of character, with great skin and length. His dam's dam bred the 2014 UK sire of the year, Oberstown Usain Bolt. His progeny are eagerly awaited.

The Foundry Flock

The Foundry Flock was established in 1999. We have built up a large flock of ewes the main features of which are easy fleshing and correctness. We reduced our ewe numbers last year and so are low in numbers for this sale. We have sold rams to €14,000 (Murphys Law), €4,000 for Foundry Nickel, €3,500 for Foundry Noah and sell in the region of 50 rams per year. This year we sold the majority of our rams at home and had Champions at Enniscorthy and Tullow.

Since we make our living from Farming we try to produce easy fleshing, well grown ram lambs for the commercial buyer whom we hope will come back for more of the same. This year we had a very good year.

Sires and Service Sires,

Hillcrest Topshot YZI12022.

A great carcass ram. He won 5 Championships this year including Tullamore Show. 2 of his daughters are on this sale.

Oberstown Tuff.

Tuff is in the top 1% of the breed for performance and has outstanding length and correctness. We used him extensively on our ewes this year.

Our shearling ewes are vaccinated with Toxovax and are on the Heptavac P system.
Performance figures will be available on the pen at the sale

Chessy & Nilands Flocks

The Chessy flock was established in 1976 as one of the foundation flocks of the breed. Over the years much success was achieved winning all the major championships ie Premier Sale Champion 6 times, Reserve Champion 7 times, All Ireland Champion 3 times, National Champion 2 times, R.D.S. Champion 2 times, National Flock Competition once, 4 times Reserve and many more Show and Sale Champions. Probably the most gratifying aspect of breeding sheep is to see one that you breed doing so well across the water in Britain. The progeny of PNI 0816 by Tullagh Neptune have taken rosettes at The Royal Highland Show, The Great Yorkshire Show, The Royal Welsh Show and she has also bred the Welsh Premier Sale Male Champion. Some of the ewes here are bred along similar lines and I wish nall buyers the very best of luck with their purchases.

Scan results will be available on the day of sale.

Ryan Texels

The Lawn, Graigues and Rotsee Flocks were established in the late 1980s with the purchase of ewes at Texel Society Sales. When selecting Ewes and Rams for the Ryan Flocks, much emphasis is placed on the commercial traits of the Texel Breed, i.e. muscling, length, tight skins and correctness.

Garralough Iggy Pop, Lawn Jupiter, Dutch Halley's Comet, Baileys One & Only and Oberstown Tornado are successful sires with these traits that have been used on the Flocks in recent years. I would like to wish purchasers at this sale every success breeding Texels in the future.

Sires Used

Tornado was purchased jointly with the Ballybur flock at the 2012 Premier Sale at Blessington for 2000gns.
