Dispersal Sale of the Remaining Ewes from the Murroe Texel Flock

Foreword

This is the final dispersal of the hogget ewes from the Murroe Texel flock. Since its establishment the aim has been to breed strong, tight skinned sheep that meet the demands of commercial sheep farmers. This has been proven by the flock enjoying good sales returns at the regional sales here in Raphoe.

Some of the top bloodlines both from Irish and UK Texel flocks are in the ancestry of the current batch of hoggets. I am deeply indebted to the Mc Hugh Texel Flocks – Figart, Greenhill and Speenogue - for allowing me to use some of their top rams. Speenogue Pierre, Enniscrone Sensational and Glenside Tomboy are in the ancestry of most of the hoggets in the sale. Imported sires such as Garngour Nobleman, Tophill Knockout and Knock Rafiki are also in the ancestry of some of the ewes.

The flock is on the Heptavac P programme and has been wormed and fluked prior to the sale.

I wish all purchasers good luck with their purchases and I hope the ewes will continue to perform as well as they have been doing for me over the past 10 years.

Dispersal Sale of the Remaining Ewes from the Murroe Texel Flock

Foreword

This is the final dispersal of the hogget ewes from the Murroe Texel flock. Since its establishment the aim has been to breed strong, tight skinned sheep that meet the demands of commercial sheep farmers. This has been proven by the flock enjoying good sales returns at the regional sales here in Raphoe.

Some of the top bloodlines both from Irish and UK Texel flocks are in the ancestry of the current batch of hoggets. I am deeply indebted to the Mc Hugh Texel Flocks – Figart, Greenhill and Speenogue - for allowing me to use some of their top rams. Speenogue Pierre, Enniscrone Sensational and Glenside Tomboy are in the ancestry of most of the hoggets in the sale. Imported sires such as Garngour Nobleman, Tophill Knockout and Knock Rafiki are also in the ancestry of some of the ewes.

The flock is on the Heptavac P programme and has been wormed and fluked prior to the sale.

I wish all purchasers good luck with their purchases and I hope the ewes will continue to perform as well as they have been doing for me over the past 10 years.
